

Georgina Ankra-Badu, PhD Receives GRC Travel Fellowship

December 4, 2008

Dr. Ankra-Badu, an NIH-funded T32 post-doctoral fellow in the Section on Statistical Genetics in the Department of Biostatistics at UAB, has been awarded a Carl Storm Underrepresented Minority Fellowship to support her participation in the 2009 Quantitative Genetics & Genomics Gordon Research Conference. The Gordon Research Conferences were initiated by Dr. Neil E. Gordon, of the Johns Hopkins University, who recognized in the late 1920s the difficulty in establishing good, direct communication between scientists, whether working in the same subject area or in interdisciplinary research.
