Dr. Richard J. Reynolds UAB DOM Annual Trainee Research Symposium Award Recipient

March 4, 2010

Dr. Richard Reynolds, an NIH-funded T32 post-doctoral fellow in the Section on Statistical Genetics in the Department of Biostatistics at UAB, received an honorable mention at the 26th Annual Trainee Research Symposium that took place on Wednesday, March 3, 2010.

Richard’s poster was in the category of “Joseph Reeves Award for Excellence in Research by a postdoctoral scholar” and was developed in collaboration with his mentor, Dr. Lou Bridges. His abstract was titled “Do SNPs associated with rheumatoid arthritis in subjects of European ancestry confer risk of rheumatoid arthritis in African-Americans?”
