

Richard Kennedy, MD, PhD Receives NIH Travel Award

September 24, 2008

Dr. Kennedy, an NIH-funded T32 post-doctoral fellow in the Section on Statistical Genetics in the Department of Biostatistics at UAB, has been awarded a travel award to attend the upcoming NIH workshop "Neuroimaging in Obesity Research". The award is provided through the generous support of the National Institute on Drug Abuse (NIDA), the National Institute of Biomedical Imaging and Bioengineering (NIBIB), and the Office of Behavioral and Social Sciences Research (OBSSR).
