

## **David B. Allison, PhD Receives 2009 Centrum Center for Nutrition Sciences Award**

**December 23, 2008**

Dr. Allison, Professor & Head of the Section on Statistical Genetics in the Department of Biostatistics & Director of Nutrition Sciences' Clinical Nutrition Research Center at UAB, is the 2009 recipient of the Centrum Center for Nutrition Sciences Award. The American Society for Nutrition (ASN) annually recognizes individuals for superior achievement in nutrition and public service. The Centrum award is given for investigative contributions to the study of human nutrition.

Dr. Allison will be recognized at the annual ASN Award Ceremony held during the Experimental Biology meeting on Sun 4/19/2009 in New Orleans.
