

David B. Allison, PhD elected to Fellowship in the Society of Behavioral Medicine

March 26, 2009

Dr. Allison, Professor & Head of the Section on Statistical Genetics in the Department of Biostatistics & Director of Nutrition Sciences' Clinical Nutrition Research Center at UAB, has been elected to Fellowship in the Society of Behavioral Medicine. The Society of Behavioral Medicine is a multidisciplinary organization of clinicians, educators, and scientists dedicated to promoting the study of the interactions of behavior with biology and the environment, and the application of that knowledge to improve the health and well being of individuals, families, communities and populations.

Dr. Allison will be recognized at the Society's 30th Annual Meeting in Montreal, Quebec, Canada, during the Awards Ceremony on April 23, 2009.
