

Dr. Nicholas M. Pajewski Postdoctoral Research Day Award Recipient

February 16, 2009

Dr. Pajewski, an NIH-funded T32 post-doctoral fellow in the Section on Statistical Genetics in the Department of Biostatistics at UAB, came in first place in his session at the Sixth Annual Postdoctoral Research Day, sponsored by the Office for Postdoctoral Education.

Nick has been awarded a \$400 cash prize and a certificate from the Postdoctoral Association at the University of Alabama at Birmingham for his research topic entitled “Simultaneous Bayesian Multiple Shrinkage Inference for Genetic Association Studies.”

The participants were grouped according to research topic into six scientific sessions. Participants in each session gave a 10-minute oral presentation of their research to an audience of other participating postdocs and a panel of judges, consisting of UAB research faculty.
