

ASP Exam Prep Workshop June 24-26, 2012

CSP Exam Prep Workshop June 27-29, 2012

Birmingham, AL

COURSE OVERVIEW These courses are designed to prepare individuals for the comprehensive examination leading to certification as an ASP or CSP. The ASP workshop will help you determine whether you are ready to take the examination. You will learn about the core examination materials and become familiar with resources to prepare you for success!

The CSP course covers the four areas of the exam: engineering, management, information management and communications and professional conduct and ethics. The course consists of lectures, sample problems, and discussions on a variety of subjects to prepare the student for either exam. Pertinent reference materials are also discussed to allow students to focus their studies in specific areas prior to sitting for the exams.

PROFESSIONAL POINTS The American Board of Industrial Hygiene has awarded ASP 3.0 Safety CM Points, approval #09-4926 and CSP Exam Prep Workshop 3.0 Safety CM Points, approval #09-4923. The workshops will be held from 8 am - 4 pm each day.

FACULTY C. David Langlois, CSP or Michael A. Weigand, CSP, of Langlois, Weigand & Associates, Inc.

Location This workshop will be held at the Hampton Inn EaglePoint. For sleeping rooms, contact the hotel and mention that you are attending a Deep South Center for OH&S workshop.

Testimonials from our Participants

"The course familiarized me with some of the math concepts."

"I took the exam three days after attending this seminar and used only the materials provided at the seminar to prepare for it. I passed the exam!"

"Good communication. Good set up and organization of the course. Well done!"

"The instructor was very knowledgeable and helpful."

"The overall preparation for the exam was helpful and very timely as I took the CSP Exam a few weeks after the prep class."
