Let your voice be heard!

Complete the Dean’s Search Survey

What’s important to you in a Dean? As you all know, we are in the process of searching for a new Dean for the School of Public Health. Your student representatives on the committee, Matthew Moore and Shelita Smith, want your vital feedback to ensure that the student voice is heard on the search committee. Please take 5 minutes to fill out the survey to help inform this important process.

Complete the survey here. or on PHSA’s B-sync page

Tell your story in six words

All UAB students can you tell your story in 6 words? Here's your chance. Hosted by UAB Graduate School and the Department of Art and Art History, the Say It In 6 competition invites students to use only six words and a visual aid to tell a story — about their studies, their UAB experience, or their life.

About this Newsletter

Through the Office of Public Health Practice, our mission is to provide public health experiences to public health students through field placements, service learning, and volunteer opportunities. Get a Handle on what is happening around the school! Brought to you by the Office of Public Health Practice, this newsletter will be used to keep you up-to-date on upcoming school-wide activities, seminars, and important news and information within the school.

Sincerely,

The Office of Public Health Practice
UAB School of Public Health
