Register and Race Information

Other Announcements This Week

- **Public Health Information Literacy** certificate course postponed. UAB Libraries Liaison to School of Public Health, Kay Hogan Smith, will not offer her “Public Health Information Literacy” certificate course this summer as in years past due to a temporary expansion of other duties. The 8-week online course should be offered again later in the year or next summer. In the meantime, please contact Kay for individual assistance and instruction as needed with any literature reviews, resource access issues, library service questions or other relevant needs. Kay may be reached in person at khogan@uab.edu or 205.934.2208. Have a great summer!

- **Your answers to this survey can help UAB promote regional economic development** - UAB is working to identify its strengths and areas for improvement in its economic development initiatives as part of its application for the Innovation & Economic Prosperity Universities Designation through the Association of Public and Land-grant Universities. Your answers to this internal survey is critical to this effort. Take the survey

About this Newsletter

Through the Office of Public Health Practice, our mission is to provide public health experiences to public health students through field placements, service learning, and volunteer opportunities. Get a Handle on what is happening around the school! Brought to you by the Office of Public Health Practice, this newsletter will be used to keep you up-to-date on upcoming school-wide activities, seminars, and important news and information within the school.

Sincerely,

The Office of Public Health Practice
UAB School of Public Health
