(Print) Last/Family First MI

The following students **must** complete this form: Medical, Dental, Optometry, Nursing, EMS, Public Health, Health Related Professions (SHRP); Joint Health Sciences and all International Students. Do not leave any blanks. Use N/A for not applicable. Please follow the directions carefully to insure that your form will not be rejected or delayed during processing. **You will not be allowed to matriculate until all 4 pages of this medical record have been completed and received by the Student Health Service at the above address. Incomplete or illegible health forms will not be accepted.** You are to complete pages 1, 2, and 4 entirely; the physician of your choice must complete the physical on page 3, or you may schedule a physical exam at Student Health for a nominal fee. **Do not call to see if we have received your health form.** Please use a return receipt if you desire confirmation. Your department will let you know if there is a problem with your health information. (I encourage you to keep a photocopy of your completed health form and immunization proof for your own records in case these get lost in the mail.)

(please **print** in ink or type)

1. Have you filled out this health application before? Yes _____ No _____
2. Have you ever been seen here at Student Health for an appointment, vaccine, or physical? _____yes_____no

Diabetes	Yes _____	No _____	Other problems	Yes _____	No _____

STATEMENT AND CONSENT
(Students need to sign this section)

I hereby give to the Medical Center Student Health Service permission to release to the School in which I enroll at the University of Alabama at Birmingham, this and any additional information regarding my health status. I understand this to be used for enrollment purposes only. Further, I give my permission for any diagnostic procedures as may be deemed necessary by the Student Health Service.

X _____
Signature Date Printed Name

I certify that the information given on this form is true and correct, and I have no abnormality, limitation, or restriction not mentioned on this document. I understand that any false information, willful or negligent misrepresentation, or failure to disclose any requested information will constitute sufficient grounds for my dismissal from UAB. I agree to notify the Student Health Service of any change in my physical or mental health either prior to my registration or while I am a student at The University of Alabama at Birmingham, Medical Center. I acknowledge by my signature that I have read and understand these statements.

Signature Date

You may schedule a physical exam at Student Health if you do not have a physician. Call 205-934-3581 and ask our receptionist for details.

TO THE PHYSICIAN: This medical information is confidential and remains in the Student Health Service. It is necessary for our medical care and advice regarding programs of study and medical clearance for enrollment. Please review medical history with student. Supplemental details are needed if any positive answers are given to questions 1-39 on page 2. Check normal or abnormal on physical exam and leave blank if not done.

IMMUNIZATION HISTORY

READ CAREFULLY:

You must fill this page out legibly and attach photocopy documentation of your immunizations to the back of this form. If you cannot find documented proof such as medical records, or certificates of immunizations, then you will be required to retake or titer test the undocumented immunization before you can matriculate. All students participating in the UAB Student Health Service are required to have a Tuberculin Skin Test and be immunized against Tetanus, Diphtheria, Rubella and Mumps within the time requirement noted below. All other immunizations are required unless exempted by the school to which you are enrolling. **Do NOT estimate your immunization dates.** (Undocumented immunization data will not be entered into our system, and you will have to retake or titer test before you are cleared.)

TUBERCULIN SKIN TESTING: We will only accept TB testing done in the United States. (International students must take a one-step TB test within three months prior to enrollment and regardless of prior BCG vaccination). Domestic students should have their testing within a year of their matriculation date. **Two Step TB testing required for all medical/health related students only.** (Two step TB testing requires 2 TB tests taken no less than one week apart and no longer than one month apart from each other.) **Note:** Only individuals with a past positive (10mm or more result) will need to provide us with a current chest x-ray. We will not accept a chest x-ray report in lieu of your TB test requirement.

1 Step TB Test: _____ Date _____ 2 Step TB Test: _____ Date _____

Results: ___ Positive* (Record reaction in mm) _____ mm Results: ___ Positive* (Record reaction in mm) _____ mm
 ___ Negative _____ Negative

Additional Annual 1 Step (For office use only): _____

***If reaction positive, or has been positive in the past, current (within past 3 months) Chest X-Ray Report is required:**
 CXR Date: _____ Results: _____

UAB requires that all students born after 1956 must have had 2 doses of a measles containing vaccine (Rubeola, MR, MMR) prior to registration. One dose must have been after 1980 and at least one of the doses must have been an MMR. (In lieu of vaccines serological proof of immunity will be accepted.)

	Date Last Received Month/Day/Year	
MMR (Rubeola, Rubella, Mumps) — primary** (Must have been given after 1 year of your birth)	1. _____	2. _____

Type B Surface Antigen Titer _____ Level _____ <small>(Pos/Neg)</small>	_____	_____
Type B Surface Antibody Titer _____ Level _____ <small>(Pos/Neg)</small>	_____	_____

Forms are processed in the order that they arrive in our office. We encourage you to turn these forms in completely filled out with all the necessary immunization documentations attached at least 2 weeks before your program's deadline date. Do not expect miracle clearances if you turn in incomplete or late applications. Calling our office to check about your clearance status only slows down our ability to process everyone's health forms on time. Your program will let you know if there is additional information needed.

You must fill this page out in order to process your paper work efficiently
