About this Newsletter

Through the Office of Public Health Practice, our mission is to provide public health experiences to public health students through field placements, service learning, and volunteer opportunities. Get a Handle on what is happening around the school! Brought to you by the Office of Public Health Practice, this newsletter will be used to keep you up-to-date on upcoming school-wide activities, seminars, and important news and information within the school.

Sincerely,

The Office of Public Health Practice
UAB School of Public Health
