Dr. Kirk Y. Williams receives travel award - 2010 ENAR Fostering Diversity in Biostatistics Workshop

March 8, 2010

Dr. Kirk Y. Williams, an NIH-funded T32 post-doctoral fellow in the Section on Statistical Genetics in the Department of Biostatistics at UAB, has been selected to receive a $550 travel award offered by the University of Pennsylvania.

Kirk will attend the 2010 ENAR Fostering Diversity in Biostatistics Workshop in New Orleans, LA on Sun 3/21/2010.

ENAR stands for the Eastern North American Region, a component of the International Biometric Society, whose purpose is to advance biological science through the development of quantitative theories and the application, development and dissemination of effective mathematical and statistical techniques. The Society welcomes as members biologists, mathematicians, statisticians, and others interested in applying similar techniques.
