Ana Ines Vazquez MS: PhD recipient from University of Wisconsin Madison

December 2, 2010

Dr. Ana Ines Vazquez, programmer in the Section on Statistical Genetics in the Department of Biostatistics at UAB, successfully defended her dissertation and received her PhD from the University of Wisconsin’s Department of Dairy Science. At her seminar on November 16, she presented her thesis, “Statistical modeling of genomic data: Applications with genetic markers and gene expression”.

Dr. Vazquez will begin her postdoctoral fellowship in the Section on Statistical Genetics on December 15th.
