Dr. Kirk Y. Williams selected as one of UAB’s OPE 2010 Fall Career Enhancement Award recipients

June 30, 2010

Dr. Kirk Y. Williams, NIH T32-funded postdoctoral fellow in the Section on Statistical Genetics in the Department of Biostatistics at UAB, has been awarded by UAB’s Office of Postdoctoral Education (OPE) in the amount of $1,000. Dr. Williams’ proposal is titled, “Functional Genetic Variants of Gene Products Involved in the Development of Obesity and Weight Gain in African-American, Hispanic, and Native American Populations.”

These competitive awards are available to all postdoctoral scholars and provide up to $1,500 for collaborative research with other universities, attendance at workshops or courses to learn new skills, or performance of science-related internships.
