Dr. Kirk Y. Williams recipient of 2011 UAB President’s Award for Diversity

January 27, 2011

Dr. Kirk Y. Williams, NIH T32-funded postdoctoral fellow in the Section on Statistical Genetics in the Department of Biostatistics at UAB, won the 2011 UAB President’s Award for Diversity in the professional student category.

This annual award recognizes significant achievements of full-time faculty, staff and students toward developing a more culturally diverse, competent and inclusive university community. Awards will be given in each of five categories for projects or activities that best reflect the implementation of unit and/or campus diversity goals. Names of awardees and their activities will be recognized at the President’s Diversity Award Dinner in January and published in the UAB Reporter.
