Tapan Mehta, Predoctoral Fellow in Biostatistics – Receives Top Outstanding Student Poster Award

August 13, 2012

Congratulations to Tapan Mehta, whose poster presentation was selected as one of the top three posters at this year’s 2012 National Conference on Health Statistics’ Poster Session. His poster presentation titled “Obesity and Mortality: Are the Risks Declining? Evidence from a Meta-Analysis of Eighteen Prospective Studies in U.S.” was recognized with an award and a photograph taken with Dr. Edward Sondik, the Director of the National Center for Health Statistics at the Plenary Session of the National Conference on Health Statistics, which is organized by the National Center for Health Statistics. Well done Tapan, keep up the outstanding work!
