Nathan Wineinger: ’10-11 UAB Medical Alumni Association’s Carmichael Scholar

July 2, 2010

Nathan Wineinger, NIH-funded T32 pre-doctoral fellow in the Section on Statistical Genetics in the Department of Biostatistics at UAB, has been selected as one of the Carmichael Scholars for the 2010-2011 academic year.

The Selection Committee for the Marie and Emmett Carmichael Fund for Graduate Students in Biosciences awarded a $22,000 scholarship to Nathan so that he may continue his doctoral studies. Nathan’s current research includes developing statistical methods in copy number variations for complex disorders and application to cardiovascular diseases.
